

Accelerated Status Guide

Why am I being offered Accelerated Status?

You are being offered Accelerated Status in order to allow you to enroll in university level course(s) (most of which are called %GWD that are being taught at your high school. As you have not yet graduated from high school, you are being admitted to The University of Winnipeg based on the Senior 4 course(s) you have already completed.

Who is Eligible?

Students that have earned at least 22 Manitoba high school credits in three years or less, and have completed at least one credit at the 40S or 41G levels are eligible to be considered for this status. If you have not taken a 40S or 41G level course, you must have a minimum grade point average

What courses can I take?

Please contact your high school guidance counsellor. The University of Winnipeg currently runs several sections of our first year courses as dual credits, which may include:

Academic Writing	Human Rights
Anthropology	Kinesiology
Biology	Indigenous Studies
Calculus	Intro to University
Chemistry	Philosophy
Computer Science	Psychology
Conflict Resolution Studies	Religion and Culture
English	Sociology
History	Urban and Inner-City Studies
Human Geography	Y [{ ^ } ¶ and Gender Studies

When is my tuition due?

All tuition fees are due on the date included with your registration statement.

What if I am not attending one of the partner schools, can I still take a course?

If you are not associated with a high school that offers dual credit courses, the Admissions Office and the University Registrar will review applications on an individual basis. In these instances, you would pay regular tuition and adhere to the withdraw dates outlined for the course. Please contact Admissions for more details.

What happens after I successfully complete the high school course(s)?

The accelerated courses you complete will be applied
