

University Animal Care Committee (UACC)

Schedule 5: Behavioral Experiments

| | |
|--|--|
| 1 List the behaviors which will be performed. | |
| | |
| 2 Please describe the procedure for each behavior. | |
| | |
| 3 If behavior is painful or stressful, describe the analgesic/analgesia to be used. | |
| | |
| 4 Will the procedure have any negative effects on the animal? <input type="checkbox"/> YES <input type="checkbox"/> NO If so, describe. (Note if negative reinforcement or punishment involves pain, "Schedule 2" must be attached) | |
| | |
| 5 Will the procedure have any negative effects on the animal? (For example, because of pain or discomfort.) | <input type="checkbox"/> YES <input type="checkbox"/> NO |
| 5.1 If YES, how will you minimize the effects? | |
| | |

| | | |
|--|------------------------------|-----------------------------|
| 6 Is an individual's behavior affected by the environment? (For example, does the environment affect a person's health, behavior, or performance?) | <input type="checkbox"/> YES | <input type="checkbox"/> NO |
| 6.1 If YES, how is the environment affected? (For example, by air pollution, noise, or other factors.) | | |
| | | |

7 Are there any other factors that affect the environment? (For example, by air pollution, noise, or other factors.)
